The new government building will include an open space that can be used on Saturdays, Sundays and public holidays. This open space will be equipped with a machine that allows users to obtain various certificates using "My Number Card (Individual Number Card)". The machine will have the same functionality as the multi-function copiers used at convenience stores and will allow users to obtain certificates such as resident registration certificates and seal registration certificates.

*This service is unavailable during the New Year's holiday period (December 29th to January 3rd).
